IECEX - Conformity Assessment Service for Industry in a Globalized World

IECEX offers a world-wide testing and certification system for:

- ex-protected products
- repair and overhaul of ex protected products
- personnel competencies

IECEX provides a wide range of economical benefits for manufacturers as well as for users and has been awarded by United Nations as a best practice model.

This IECEX industry symposium offers stakeholders the advantage to get informed about latest developments giving them at the same time the chance to participate in development of the future strategy of IECEX.

It is organized by DKE German Commission for Electrical, Electronic & Information Technologies of DIN and VDE.
